

Nephi Recreation

OCTOBER 2019

Message from the Manager:

I am excited to introduce myself to you and the community as the new Nephi Recreation Manager. TJ Sutherland will be working as the Recreation Supervisor. We would both like to thank John Bradley and Michael Barlow for the work they have done and the programs they have built. We are excited to continue that work and continue growing programs to serve our community.

Nephi Recreation is starting to wrap up our fall sports, and are gearing up for our winter sports. Thank you to all the coaches and parents that helped make our fall sports a success. The registration deadline for Junior Jazz Basketball is approaching fast. We are also bringing back our Adult Men's Basketball League, and will continue the league for the women.

There are a few new programs and camps that will be offered in the winter. First is our Turkey Bowl which will be played the Friday and Saturday after Thanksgiving. This is an Adult Flag Football Tournament that will have pool play and a single elimination tournament. Next we have brought in former Utah Valley University Basketball Coach Dick Hunsaker to run a youth basketball camp. The camp will be on January 2nd and 3rd, and will focus on fundamentals. You can register for these at www.nephirecreation.com or stop in to our office at 21 East 100 North, or just give us a call at 435-623-1004.

We are excited to continue our tradition of the Halloween Carnival. After you do the Trunk or Treat on main street come on over to the Carnival at Town Square Park. This year we are bringing in bounce houses, we will also have games and concessions.

TJ and I would like to thank you for your patience with us and for your support as we make this transition. We are ready to work hard for you and excited to be able to have the opportunity to bring a fun and exciting atmosphere to the recreation department.

Sincerely,

M. Craig Oswald

Meet the new Manager and Supervisor

Meet the New Nephi City Recreation Manager, Craig Oswald. Craig was born in Sulphur Springs, TX but moved to Utah at the age of 2-years-old. He grew up in Cedar City and was a part of almost every sport that you could think of. Craig started officiating when he was 14, umpiring Little League Baseball, and helping out Youth Football. As he grew older and graduated high school he started officiating High School Football, Wrestling, Softball, and Baseball. He now currently officiates College Football for the Rocky Mountain Athletic Conference. Craig graduated from Southern Utah University with a Degree in Physical Education with an emphasis in Exercise Science. While working at SUU he was the Assistant Manager of the Physical Education Building, where among many other things he helped run the intramural sports programs. Craig is married to Lisa Oswald and the two of them have three children. Becoming a Recreation Manager has been a dream job for him for a long time, he has a passion for helping youth and feels this is the best way he can accomplish that dream.

Meet the new Nephi City Recreation Supervisor, TJ Sutherland. TJ was born in Logan, Utah. TJ grew up in Oakley, Utah where he would help his dad who is the director at the South Summit Aquatic and Fitness Center. TJ helped his dad with many events such as 5k's, triathlons, and other recreation events and programs. TJ went to South Summit High School where he played football, baseball, and wrestled. After high school, TJ attended Snow College and worked on the intramural staff where he was able to learn a multitude of different sports. He also started officiating high school football and basketball where he has been able to get to the varsity level in both sports. TJ also has experience officiating baseball, softball, and volleyball in the adult and youth programs. After graduating with his associates from Snow, he went to Utah State and earned his bachelors degree in parks and recreation with a minor in horticulture. TJ worked at Promontory Golf Course during the summer while going to school. After he graduated from Utah State he accepted a full-time position at Promontory, however, he wanted to go in to the field of recreation and keep an eye on the field until the right job came open. He and his wife are looking forward to living in Nephi and raising their family there.

"I'm just glad I've been able to play for Dick Hunsaker and be a part of his program (Utah Valley State College) and atmosphere. It has been a great experience for me. I wouldn't change it for the world. He's the best coach I've ever played for. He's taught me so much. I send my sons to his camps. " –RONNIE PRICE, Phoenix Suns

"I have gone to camps (in Utah) for many summers and learned more from Coach Hunsaker's camp than all of the others combined. I wish I would have found this camp when I was younger." – CAMERON, Camper
